### 3-Phase Track

#### Features:

- Patented design of the gear box, shapely, safe structure
- Equipped with TUV approved imported 3-phase track adaptor, (the color of the adaptor always is Black) when Several pieces of 3-Phase track metal-halide lights are used on one track, each single fitting can be switched Off/on individually by the 3-Phase adaptor.
- Equipped with KEMA approved imported electronic ballast, quality is assuring.
- The white color won't become yellow because of special heat-resistant powder coating
- There are different shapes of spots for your options.

#### Applications:

- Fashion shops, Showrooms, Brand Chains Stores, Exhibitions, etc.
