ABOUT US

Halonix is amongst India's fastest growing electrical company caters to both retail and institutional buyers with its innovative and smart-tech offerings across Lighting, Fans, Smart/IoT products and products focusing on Health & Security. With the credo of Make in India and Made for India, Halonix's success has been built on its unparalleled ability to develop, validate, and deploy solutions that are relevant and suitable for Indian conditions. Because of its constant focus on innovation and quality control, the brand is widely accepted by consumers and trade alike throughout India.

Spearheading the technological revolution, the company has been at the forefront of introducing energy-efficient lighting solutions. Today, Halonix is one of the top 5 lighting brands in the lighting industry and has carved a niche for itself in adding high-tech products such as a DJ Speaker Bulb, Speaker Bulb, Fire Alarm, Smart Wi-Fi Plug, family of Inverter Lighting Products, family of Prizm – Millions of Colours Lighting Solutions, Radar Motion Sensor Bulb and the family of All Rounder 3-wattages-in-one Bulbs and Battens to its product portfolio with an in-house product design and development team.

Halonix also diversified innovative products in the Fans segment by combining innovation and user-centric design to create greater value for its customers. Some path breaking innovations include Morpheus – India's first retractable blade chandelier fan, Halo - a novel design IoT fan, Cuboid - a low ceiling lighting and fan solution, Smart IoT Fan Kit amongst others.

Latest Halonix has also launched a range of Wifi based Security Cameras including India's first Totally Wireless Camera with an in-built battery under its sub-brand Shield. Moreover, it has also launched many more innovations such as a Plug & Play Fire Alarm, an Air Purifier Bulb and an Air Purifier Desktop Device.

Halonix has also launched a wide range of electrical accessories such as Wifi- Plugs, Extension Cords, Torches and Emergency Lights.
