The Halonix Advantage

Manufacturing Unit at SIDCUL, Haridwar

Journey

2013

Halonix Re-Emerged As An Independent Indian Brand, Setting The Vision To Make Halonix A Leader In Energy-Efficient Lighting.

2015

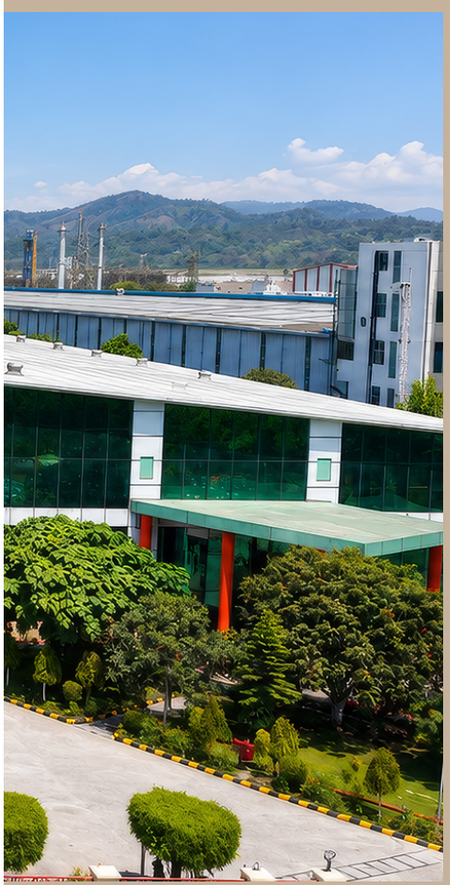

Among The First To Foray Into **Energy-Efficient Led Solutions** For The Indian Market

2018

Expanded Into **Inverter LED Bulbs,** Establishing Halonix As A Pioneer In Market-First Products.

2019

Expanded portfolio with **Fans, Electrical Accessories and Home Utility products.**

A Legacy Built on Trust.

For years, Halonix has been creating products that make everyday life better, combining **innovation, quality and reliability** to light up India.

Innovation is not what we practice. It's in our DNA. From 1st in India to launch 1st **Halogen,** 1st **CFL,** 1st **LED bulb,** 1st **Inverter Bulb,** 1st **Alexa Bulb to Wall Delight, From Multi-Wattage innovation to India's first BIS-certified Street Light**, we have consistently challenged what lighting can do.

Now, that legacy enters a new space with **AVIO, Halonix Modular Switches**, bringing thoughtful design, reliable performance and the trust of a brand that has been innovating for India. **Because when innovation is built on trust, the future feels brighter.**

NABL Certified Lab at Haridwar

2021

Launched India's **1st Speaker Bulb, DJ Speaker Bulb, Fire Alarm, Smart Wi-Fi Plug, Smart Speaker Bulb.**

2023

Diversified Into, **MCBs & Home Electricals, Reinforcing The Brand's "Beyond Lighting" Vision.**

2025

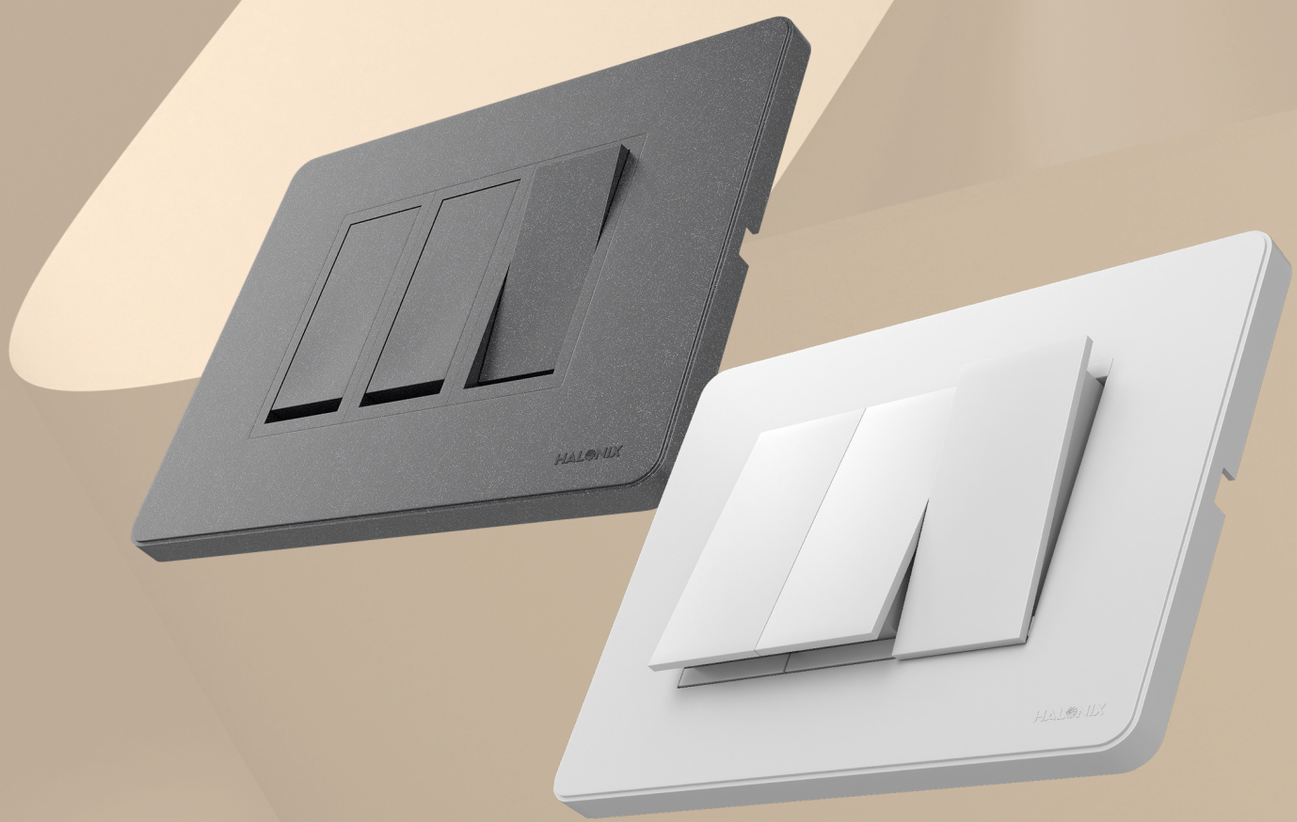

Entering Into Lifestyle Segment By **Introducing Steam & Dry Irons, Room Heaters & Torches**

2026

Entering Into **Solar Inverter, Modular Switches and Wiring Accessories**

HALONIX

Avio Modular Switches the BEST CHOICE

3 Exquisite SWITCH DESIGNS

ACE FLAT F PRO

HALONIX

Universal Fit (Fits all Standard Switch Plates)

At Halonix, innovation begins with understanding the people who use our products. Avio Modular Switches are thoughtfully designed to make installation and maintenance simpler, faster and more convenient.

Captive screws ensure hassle-free installation while preventing screws from falling or getting misplaced. Every detail is designed with convenience in mind, making Avio a smarter choice for effortless installation.

Salient Features

Engineered To Last

100,000+ switching cycles for dependable everyday performance.

10A-20A Heavy Duty Operation

Long Lasting Heavy Duty Switches

Precision Connection

Premium metal contacts for reliable electrical connectivity.

Easy By Design

Electrician-friendly construction for smoother installation.

ISI Certified

Fully compliant with ISI safety standards, giving you complete peace of mind and trusted performance.

Contemporary Aesthetics

Clean, modern design that complements today's interiors.

Safety At Heart

Flame-retardent polycarbonate for enhanced safety and durability

Built on Trust

The strength of the Halonix legacy in every detail.

Cooler Performance

Designed for controlled heat generation during everyday use.

Premium Within reach

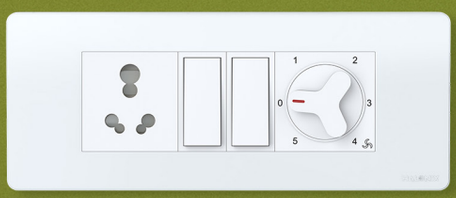

Quality, design and performance at a sensible price.
